CORPORATE PROFILE

Intermetal Ltd. is part of Harwal Group, an intuitive, innovative and agile management holding with diverse manufacturing companies in the United States, Europe, the Middle East and the former Soviet Union. The technological and manufacturing capabilities of the Group are evident by the wide product range and volumes that are produced by the Group companies. With an annual conversion capacity of over 200,000 metric tons of plastic and 20,000 tons of aluminium and steel, the Group is at the forefront of its respective industries.

Intermetal has been manufacturing superior Hospitality Contract Furniture since 1989. As a specified supplier to many prestigious hotel chains worldwide, the growth of the company is attributed to quality manufacturing and resilient products.

At Intermetal, a highly experienced in-house Design Team is constantly exploring new shapes, finishes and manufacturing methods to create innovative and flexible solutions that make a lasting impression and meet the demands of designers, consultants, owners, operators and guests. A dedicated management team, a diverse workforce and skilled craftsmen work in unison to provide furniture solutions that exceed our customers' expectations.

IM SUITE, a division of Intermetal is dedicated to the design and manufacture of complete hotel room furniture for commercial projects. Manufactured to stringent quality and commercial standards, we work with designers, contractors and owners to provide custom solutions based on each individual property needs, ideas and designs.

Intermetal's manufacturing facility is fully equipped with CNC bending and routing machines, robotized welding, powder coating and chrome plating lines, upholstery and includes a state-of-the-art joinery for woodworking.

As an ISO 9001:2008 Certified Company, management's commitment to innovation, research and development and sustainability has placed Intermetal as a leader in its field. Our finished products speak for themselves and reflect Intermetal's commitment to excellence.
