Intermetal is part of Harwal Group, an intuitive, innovative and agile management holding company with diverse manufacturing companies in the United States, Europe, the Middle East and Russia. The technological and manufacturing capabilities of the group are evident by the wide product range and volumes that are produced by the group companies. With an annual conversion capacity of over 200,000 metric tons of plastic and 20,000 tons of aluminium and steel, the group is at the forefront of its respective industries.

Since 1989, Intermetal has been designing and manufacturing quality contract furniture for hotels, restaurants, bars, coffee shops, cafés, bistros, food courts and fast food outlets. Customers have come to rely on us for their project requirements as they are confident that they are dealing with a company with many years of experience in the furniture industry. Intermetal is proud to be the specified supplier to a prestigious worldwide client list.

Our comprehensive collection consists of furniture for both indoor and outdoor contract use and includes chairs, tables, booth seating, bar stools, tub chairs, armchairs, lounge seating, table tops and table bases. Our product line features contemporary designs as well as updated classics that are available in an array of materials that include wood, aluminium and techno polymer or we can customize products to meet exact specifications.

CONTRACT FURNITURE MANUFACTURER

At Intermetal, we manufacture the furniture that we sell and that is important to our customers. A highly experienced in-house design team is constantly exploring new shapes, finishes and manufacturing methods to create innovative and flexible solutions that make a lasting impression. A dedicated management team, a diverse workforce and skilled craftsmen work in unison to create furniture that exceeds our customers' expectations.

Intermetal's manufacturing facility, located in Dubai, UAE is equipped with CNC bending and routing machines, robotized welding, powder coating and chrome plating lines, upholstery and includes a state-of-the-art joinery for woodworking. With the ability to monitor all areas of production, quality, durability and timely deliveries are guaranteed. Our finished products speak for themselves and reflect Intermetal's commitment to excellence.

As an ISO 9001:2008 and FSC Certified Company, it is management's commitment to develop and implement sustainable business practices and manufacturing processes that will benefit our future generations.
