

INTERMETAL

CONTRACT FURNITURE

REDEFINING YOUR OUTDOOR SPACES

The Region's Leading Name in Outdoor Furniture

30 Years of Manufacturing Experience

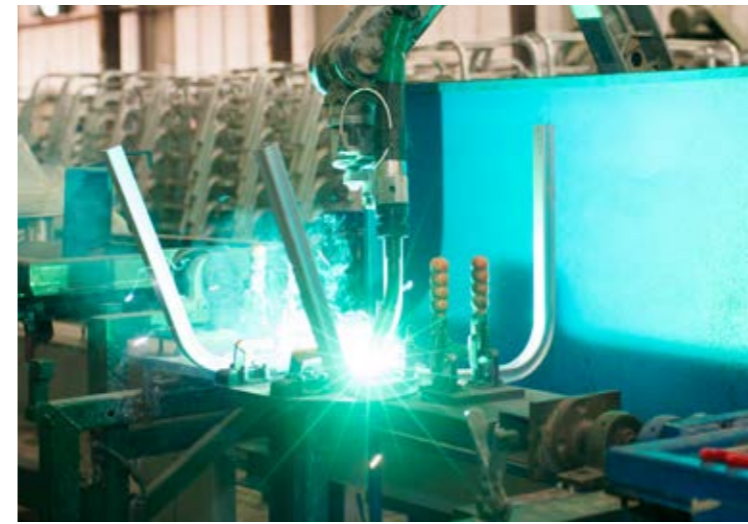

Intermetal manufactures a comprehensive collection of furniture that is designed and manufactured for extreme contract use. Recommended and specified for hotels, restaurants, resorts, clubs, beach, poolside, bars, coffee shops, cafés, terraces, lounge and more, let us help you elevate the outdoor experience from ordinary to extra-ordinary.

With 30 years of experience, we understand that each project needs to incorporate comfortable and versatile furniture that makes the area stand out from the rest. Be inspired by our wide range of chairs, tables, sun loungers, sofas, bar and lounge furniture, an eclectic array that can be mixed and matched to create unique outdoor spaces. Available in aluminium, teak wood and synthetic rattan, all are produced to stringent quality and commercial standards and upholstered in weather resistant fabrics.

With outdoor spaces becoming an extension of the indoor, Intermetal's design team continue to create innovative and flexible furniture solutions that don't compromise on quality, strength or durability, a range that enhances the space it occupies.

At Intermetal we continue to invest in our people, our manufacturing technologies and our capabilities to produce furniture that can be specified with confidence.

Quality Contract Furniture

Explore the possibilities.....

Aluminium Furniture

Manufactured from high grade aluminium, welded using the latest technology and powder coated to exact requirements, makes our aluminium furniture collection the recommended and specified choice for hotels, resorts, clubs, restaurants and more. The comprehensive collection includes tables, chairs, lounge furniture and cabanas manufactured for the contract furniture market. Available in a wide range of styles that includes upholstered aluminium, aluminium and teak and aluminium and sling, each of the collections can be integrated to create unique outdoor spaces. A durable range that is light in weight, strong in stature, resistant to rust and virtually maintenance free, basically the perfect outdoor furniture solution.

Teak Furniture

We continue to create timeless teak wood furniture for the commercial contract market. Incorporating state-of-the-art manufacturing technologies and skilled craftsmen, our designers create innovative furniture to meet the diverse market requirements. Available in a variety of styles, we manufacture tables, chairs and lounge furniture. Resistant to natural weathering, the collection includes classic designs and a newly released range of contemporary furniture. Trends change but teak wood never goes out of style.

Rattan Furniture

A versatile furniture collection comprising of tables, chairs, sofas, loungers and daybeds. Available in an array of styles and weaves, we offer contemporary and classic designs that are manufactured from quality synthetic Viro and Rehau fibers and upholstered in weather resistant materials. Strong and durable, the furniture is manufactured for high volume commercial contract use.

Cabanas & Daybeds

Transform your outdoor living space with the addition of a customized aluminium or wooden Cabana or Pergola. Available in freestanding or attached to an existing structure, let our design team assist in creating an outdoor space that provides shade and protection from the elements while your guests lounge and enjoy the open-air. Manufactured in wood, aluminium or a combination of both, the possibilities to create outdoor experiences your guests will enjoy are endless. Our daybeds offer guests with a space in which to recline and embrace the outdoors. Choose from our collection or allow us to customize a stunning piece.

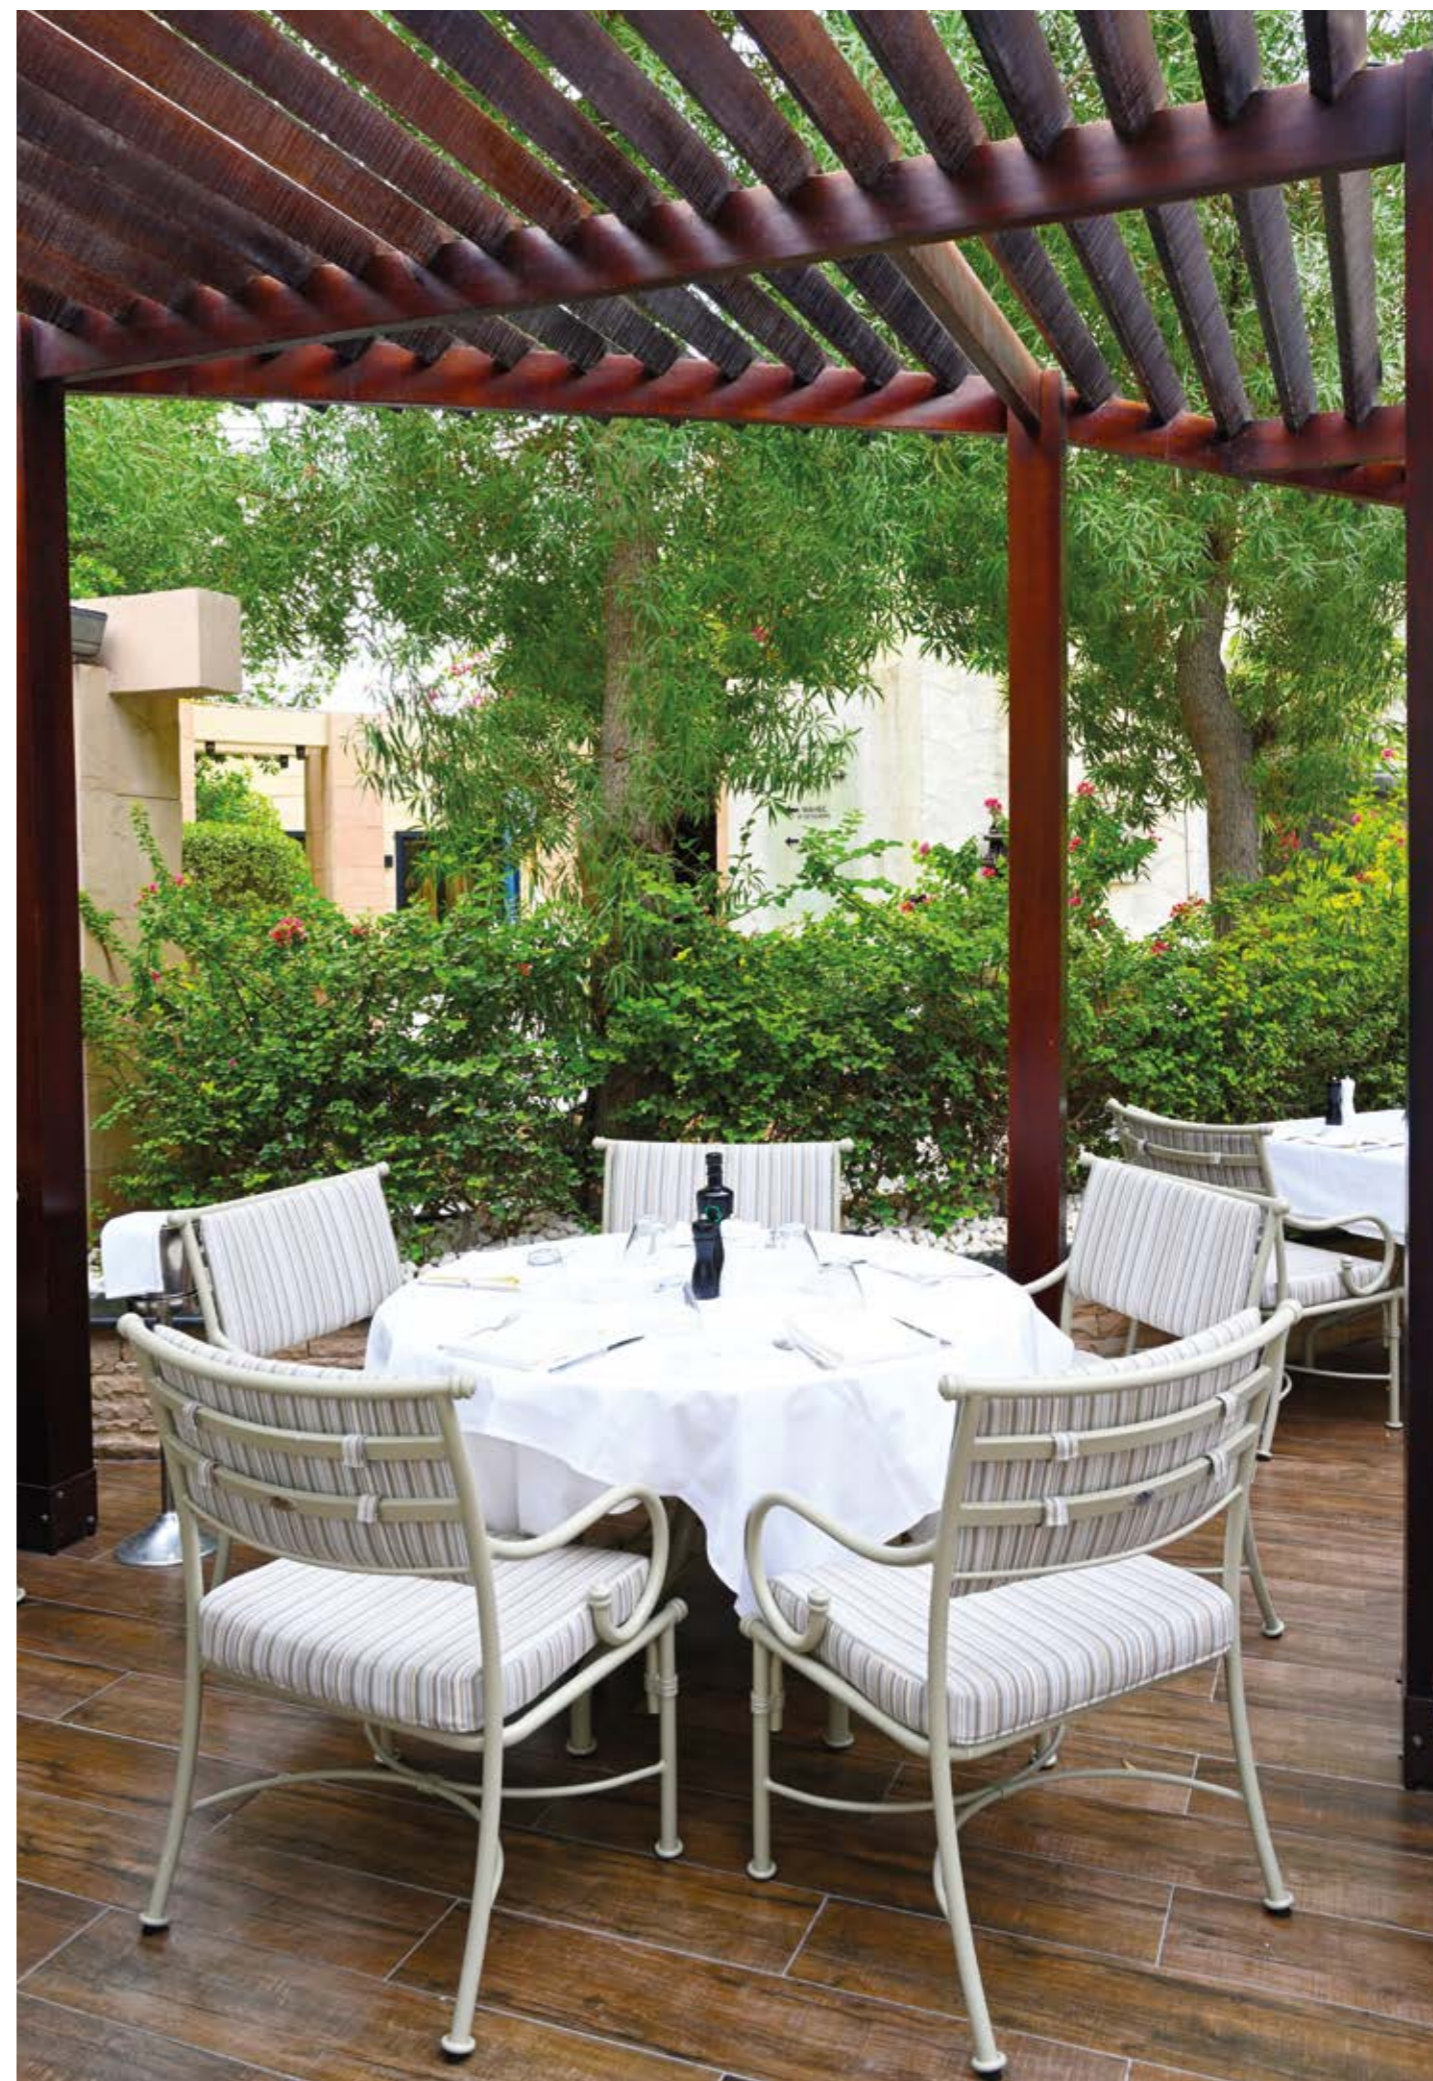

Umbrellas

At Intermetal, our umbrella collection is the leading and trusted brand for restaurants, hotels, cafés, beach, pool and leisure. Built for heavy contract use, the umbrellas have undergone extensive wind endurance tests to ensure strength and durability. Available in various shapes and sizes, the range is offered in wood, aluminium and cantilever designs to suit any outdoor setting. The ultimate in shade protection that can also be used as a branding opportunity.
