INTERMETAL

Legno

by: Intermetal

Renowned for complete hospitality furniture solutions for both indoor and outdoor contract use, Legno by Intermetal is a division within the company dedicated to the design and manufacture of solid wood tables, chairs, sofas and lounge seating. Our furniture includes a combination of contemporary and classic designs that are manufactured using the latest manufacturing technologies and in accordance to ISO 9001:2015 Quality Standards and we are FSC Certified to supply products from responsibly managed forests.

Since 1989, Intermetal has been producing high quality and durable furniture that combines traditional methods and the latest technology. Our manufacturing facility located in Dubai, UAE covers over 21,000m² and our state-of-the-art joinery includes a Painting Robot, Automatic Painting Lines, CNC Shaper, CNC 6 Axis Router, CNC Multi-Boring, CNC Band Saw, CNC Panel Saw, CNC Edgebander, CNC Lathe Machine and High Frequency Pressing Machines that allow us to produce over 200,000 chairs and tables per annum. Our plant is also equipped with CNC Bending and Routing Machines, Robotized Welding, Powder Coating and Chrome Plating Lines and Upholstery, a combination of manufacturing capabilities that is rare to find with one manufacturer under one roof.

Intermetal products are exported worldwide and we are proud to be the specified supplier to prestigious hotel groups and restaurant chains. We continue to invest in our people, research and development and sustainability to create furniture to meet the market requirements and that will stand the test of time.
